

## The 2024 Davis Double Century Results

The 2024 Davis Double Century is behind us, and it was a great success! We had 217 finishers which represents a 90% completion rate and approximately 25% of the riders were first time double century riders. It's wonderful to have new riders! We hope that they had a great experience and return to Davis next year and try a few other doubles as well.

The youngest and oldest finishers were the same individuals as last year, though now a year older. River Bull was the youngest at age 15, one of 4 teenage riders. The oldest finisher was Greg Olsen, one of 6 septuagenarians, at age 76!

For those 42 riders who wished to be timed, the fastest finisher was Robert Nelson who finished in 10 hours and 42 minutes (smokin'!) which was one minute faster than last year's fastest finisher!

The weather was great, with temperatures in the low to mid-80s. It was still warm getting over Resurrection, but that's normal. We are always thankful for good weather and that don't have a repeat of the 2019 "Davis Deluge", the year it was 40°F and pouring rain!

All the 217 finishers are listed below along with the Workers Ride finishers. The timed finishers with listed with their times

Congratulations to everyone! The Davis Bike Club hopes to see you again next year at the 2025 Davis Double Century!

### All 2024 Davis Double Century Finishers, including the Workers Ride

First Name	Last Name
Enrico	Abejuela
Michael	Aberg
Mark	Abrahams
Joe	Adelman
Junie	Adonis
Eli	Alexander-Tanner
